

R.E.A.M, LLC d/b/a Liberty Advanced Nursing
Healthcare Services | Clinical Workforce | Government Contracting

EIN	UEI	CAGE	WEB
20-4179365	RBUTS9J2NHTS	9PNY0	LibertyRN.com

CORE CAPABILITIES

Home & Clinical Care

Skilled nursing, private-duty nursing, personal care, medication support, care coordination, and in-home clinical services under Maryland RSA operations.

Healthcare Workforce Staffing

RN, LPN, CNA/GNA and other qualified healthcare personnel for institutional, state, county and federal requirements. Maryland HCSA licensure pending.

Clinical Workforce Operations

Recruiting, credentialing, background screening, scheduling, supervision, workforce deployment, and continuity-of-care support.

Government Health Services

Healthcare and workforce support for public health agencies, clinics, long-term care environments, correctional settings, and other government facilities.

DIFFERENTIATORS

- Integrated healthcare delivery and workforce-recruitment infrastructure.
- Maryland-based operator positioned for county, state and federal healthcare requirements.
- Clinical staffing capability spanning RN, LPN and CNA/GNA workforce categories.
- Diverse small-business certifications supporting teaming, subcontracting and set-aside opportunities.
- One unified operating brand for home care, nursing, staffing and government healthcare solutions.

SERVICE & CONTRACTING REACH

Maryland Home Care: Prince George's, Montgomery and Howard Counties

Government Markets: Local/county, State of Maryland, and federal agencies

Staffing Expansion: Regional and nationwide opportunities, subject to destination-state requirements
